Our glass production facilities are where the beauty and artistry of traditional techniques meet modern technology and an innovative spirit. We work with architects, designers, brands and businesses all over the world to bring unique visions to life in spectacular and memorable ways. Our trade and special order programs make it easy to bring handcrafted glass into creative projects of all sizes, from high volume orders to bespoke one-offs tailored to each client.

PROJECTS & LIGHTING

We work with clients to create spectacular glass lighting fixtures and sculptural accents for hotels, restaurants, commercial interiors, homes and more.
